

Other Important Information

In this section, include all the information that someone would need to know about any accounts, subscriptions, memberships or passes your relative has.

Things to include:

- Mobility Car
- Blue Badge Pass
- Travel Passes (Bus, rail etc)
- Gym Passes
- Access Passes
- Subscriptions
- Social Media Accounts
- Mobile Phone Account
- Netflix
- Spotify
- Amazon Account

Include as much detail as possible including contact numbers, account numbers, any information that makes renewing easier etc as the person stepping in may not be familiar with some of the processes and systems involved.

We would not recommend including log in details etc for any online accounts here but make sure whoever will be managing your relatives accounts knows where to locate them.
